

Customs Clearance & Transportation Services

*Expo Cycle 2011 September 10th-13th, 2011
at the Palais des Congrès*

Customs:

The services of an Official Customs Broker are strongly recommended for all shipments originating outside of Canada. This will eliminate the possibility of materials being held at the border by Canada Customs due to improper or insufficient documentation resulting in these same materials arriving too late or not at all. **The Commerce Trade Show Logistics Group Ltd.** will assist all Exhibitors with their temporary imports, permanent entries & export of Exhibit Materials.

Exhibitors using their own broker will have to arrange their own bond or cash deposit with Canada Customs at the point of entry into Canada.

The Commerce Trade Show Logistics Group Ltd. will provide the following services:

- Provide on-site service from the first move-in day to the last move-out day
- Post all securities and bonds with Canadian Border Services Agency
- Prepare the proper Customs entries to account for any sales you may make & remit the payments to Customs
- Prepare outbound export documents, bills of lading and provide US Customs Clearance when required as well as providing shipping labels

Shipping (US, International, Domestic & Local Cartage):

The Commerce Trade Show Logistics Group has developed a competent and cost effective transportation offering, which is focused on time sensitive freight which is crucial in the Meetings, Conventions and Trade Show Industry. We have created an extremely reliable network of agents throughout the world to transport Exhibit materials via Land, Sea or Air.

The Commerce Trade Show Logistics Group Ltd. will provide the following services:

- On-Site representation
- Free Advanced Warehousing(When using Commerce Freight Services)
- Discounted & preferred time delivery freight services for all modes of transportation
- “Real-Time” tracking and tracing for all shipments
- Insurance availability

Freight Services:

By appointing The Commerce Trade Show Logistics Group Ltd. as your Official Customs Broker and Transportation provider you and your Exhibitors will have a more cost effective service, that has been tailored just for you. These services not only include free advance warehousing for up to 30 days but will also provide one invoice for both your Customs and Transportation requirements.

Private Vehicles:

Due to specific regulations for Exhibitors using their own method of transportation other than the Official provider, we ask that Exhibitors please notify us 2 weeks before they plan to cross. Then we can confirm that all of the correct information/forms have been provided and filled out so that crossing the border is as smooth as possible.

Advance Warehousing:

The Commerce Trade Show Logistics Group Ltd. will utilize YRC-Lamcar Logistics as the Advance Warehouse. They are fully equipped to handle advance freight for **Expo Cycle 2011**. Their address is as follows:

Exhibitor Name/Booth Number Expo Cycle 2011 C/o YRC-Lamcar Logistics/Commerce Trade Show Logistics Group Ltd 4405 Bois Franc 6,7,8,9 Saint-Laurent, QC H4S 1A8 CANADA
--

**Please make sure all labels appear as above

The warehouse will start accepting freight 30 days prior to the 1st move-in day of **Expo Cycle 2011**.

Remember: Exhibitors who utilize The Commerce Trade Show Logistics Group Ltd for their shipping needs will receive **FREE** Advance Warehousing as well as priority docking privileges during the move-in.
